The Bakers' Patio Vol. VI

**I'M WITH
ME**

Written by Ron Kinscherf

Illustrated by Holly Brogaard

The idea for this book just popped into my head one day. I spent a lot of time alone growing up. I would use my imagination and various toys to keep myself entertained ... whether it would be GI Joes, Lincoln Logs, Erector Sets, baseball cards, or any combination thereof. We didn't have multiple TV channels specific to kids. We didn't have multiple TV channels, period. So, I created my own little worlds ... kind of like what I've done with my colony under the Bakers' Patio. "I'm with Me" is a simple story. A simple message. I hope you enjoy it as much as we did creating it for you.

It's an overcast day at the Bakers' patio. The brick patio sits behind the Bakers' house that sits on a small little street in a nice little neighborhood.

Prince Antrew has given the orders, and Flyer Amy shoots out of the tunnel heading to her area for inspection.

The reviews are in for **I'm with Me!**

Insect Illustrated maintains *"Volume VI is a home run! How do they keep doing it?!"*

Antity Fair shouts *"Allison Ant! A cover shoot is in your future!"*

Antagram confesses *"When I heard rumblings on the plot, I wasn't sure Kinscherf/Brogaard could pull it off. Never should have doubted this team. Brilliant!"*

The sixth in **The Bakers' Patio** series, there is panic at the colony as Allison Ant wanders towards the edge of the patio all by herself to wait for a special friend.

After 30 years as an IT Consultant, Kinscherf, with encouragement from his family, leveraged his method of play with his grandchildren to create something for all to enjoy. Brogaard's love for creating art for children plus her versatility created a perfect match for Kinscherf.
