“David, it’s rest time. Pick two books and climb into bed.”

David is spending the afternoon at Grandpa’s house today. Mommy and Daddy are going on a special lunch date and doing some shopping. David needs to rest in the afternoon. He’s too old to “nap” but a rest is necessary or he gets grumpy.

The "papa tell me a book" series of stories follows a grandfather as he is challenged by his grandson to create a nap time story on the spot. The grandson chooses the topic which could be ... well ... anything! The grandfather starts the story and the grandson finishes the tale in his dreams.
