First Print Edition December 2017

Cover art designed by Lisa M. Orban

Many thanks to author, RT Graham for your invaluable help in coming up with the series title when I drew a complete blank...

...after drawing all the optical illusions.

The sale of this book without a cover is unauthorized.  
If you purchased this book without a cover, the poor Indie author who slaved over a hot computer to bring you this fine book did not receive any compensation for all of her hard work and dedication. And just so you know, every authorized book sale results in a happy dance by the author.  
Please, be kind, and don't deprive the author of her happy dance just to save a few pennies.
